

Cosy rooms and comfortable beds

All our 101 rooms and suites have modern interior design and every convenience to ensure that your stay with us is pleasant and enjoyable. After a good night's sleep in one of our lovely Dux beds you will find a plentiful breakfast buffet laid out in our indoor location "Vinterträdgården" (The Winter Garden). The Hotel has a private garage, a relax department with a sauna and bubble pool. Reception is manned around the clock. Easy access to shops, outdoor activities, exercise facilities, restaurants and entertainment makes Best Western Västerviks Stadshotell a perfect place to stay, whether you are here on business or for a weekend break.

A variety of package holidays

Complete hotel packages are something of a speciality at Best Western Västerviks Stadshotell. We have a wide range of packages to meet all requirements: our Golf package, the popular Just Relax package, the Christmas and New Year package, and now the latest in a long list – the Motor Biking package.

Food, drink and entertainment

Our restaurant, "Kapten Lindström", with the Whisky Bar, is situated next to the reception area and is a perfect meeting place for a refreshing cocktail and for enjoyable evening meals. The Whisky Bar offers several hundred different whisky brands and we can arrange tastings at very reasonable prices. The restaurant is very popular as a dinner rendezvous and we cater for all tastes. "Vinterträdgården" serves a buffet lunch and light meals in the evening.

Meetings and conferences

Best Western Västervik Stadshotell is the leading supplier of conferences and meetings in the northern part of the Kalmar area. We can assist with the arrangement of conferences for up to 350 participants. Complete packages, including accommodation, dinners, activities and entertainment, are our speciality. Our conference facilities are fully equipped with the latest technology. The nearness to the sea and the archipelago gives that extra boost to your conference.

Västervik – Gem of the East Coast!

Västervik has long been known as the Gem of the East Coast! When you come here you will understand why. The proximity of the sea and the archipelago, combined with idyllic surroundings, shopping amenities, restaurants, and entertainment facilities, makes this an irresistible place to visit – Welcome to picturesque Västervik.
